

# The One-Person Shop

Tomasz Wierzbicki - Paperless Press

This is the sample file the example shop sells.

Upload it in the panel, buy it with a test card, and watch the invoice, the email and the download link appear.

# 1. Where the sale happens

For a digital service the place of supply is the customer's place, and you must hold two non-contradictory pieces of evidence for where that is. Not one. Two.
